6 How well are you at obeying speed limits

7 Do you find speed limits useful to control speed?

8 What reason would make you speed?

An emergency

Emergency. Accidentally.

Getting out the way of danger

To avoid a dangerous situation

Lateness

To overtake

Carelessness

An emergency/ danger

Hurry or to late

N/A

Road conditions

Passing slow drivers

Danger tiredness

To. Overtake

When the limit doesn't seem to match the road. A wide open road, with no residential area set at 30 is mad. So I'll usually pop up to 40. Or most 20 limits seem too slow. It's fine in narrow lanes, by schools or shopping centres.

Late, the type of road or area

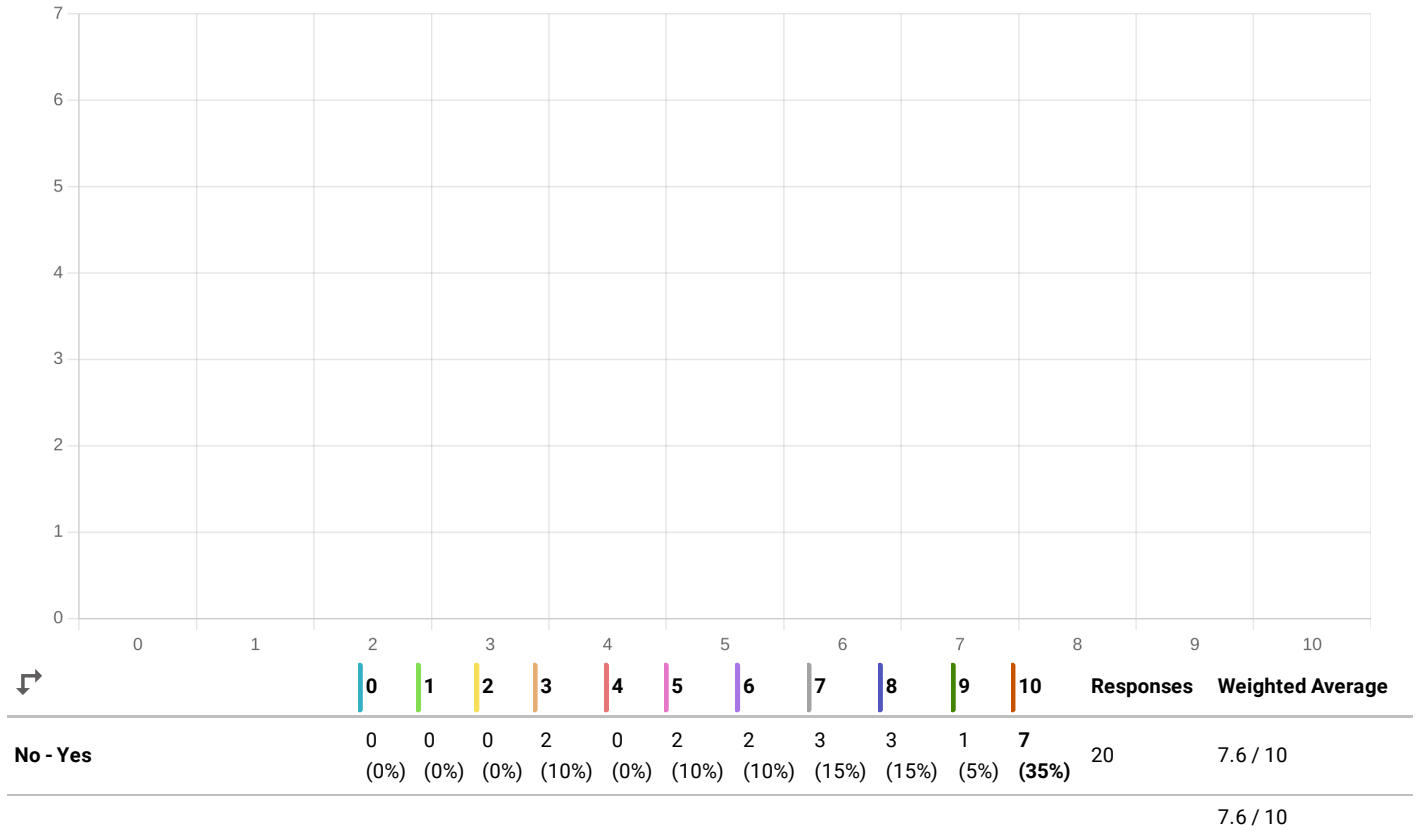

None

Being late for something

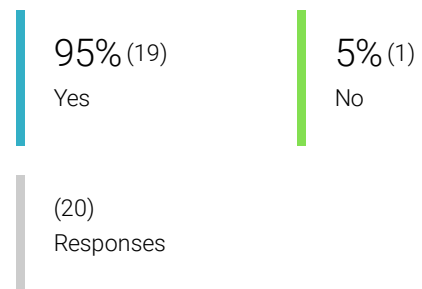

In an emergency

None

14 Do you think more needs to be done about people's speeding?

15 What bothers you most about driving?

Aggressive drivers

Inconsiderate drivers. Dangerous drivers. Road works always in the same place.

Other people

Inconsiderate drivers

Not insured, too young to all be in one car

Cost of fuel!

People not thinking

Tailgating

Nothing

Crap drivers. I think everyone should do a refresher course every 5/10 years. Amount of people going 30 in a 60 limit or can not reverse is stupid

Slow people on the road

Older drivers

Aggressive driving

Those who excessively speed (60 in a 30 etc), people who drive slowly, those on mobile phones, or dangerous driving

The governments constant war on motor vehicles

Other drivers who drive reckless

Angry drivers, or just really really slow drivers

Other drivers not being considerate

Others behavior
